

Cell Bowl 2024

Created &
Presented by:

Sponsors

Cell Bowl 2024

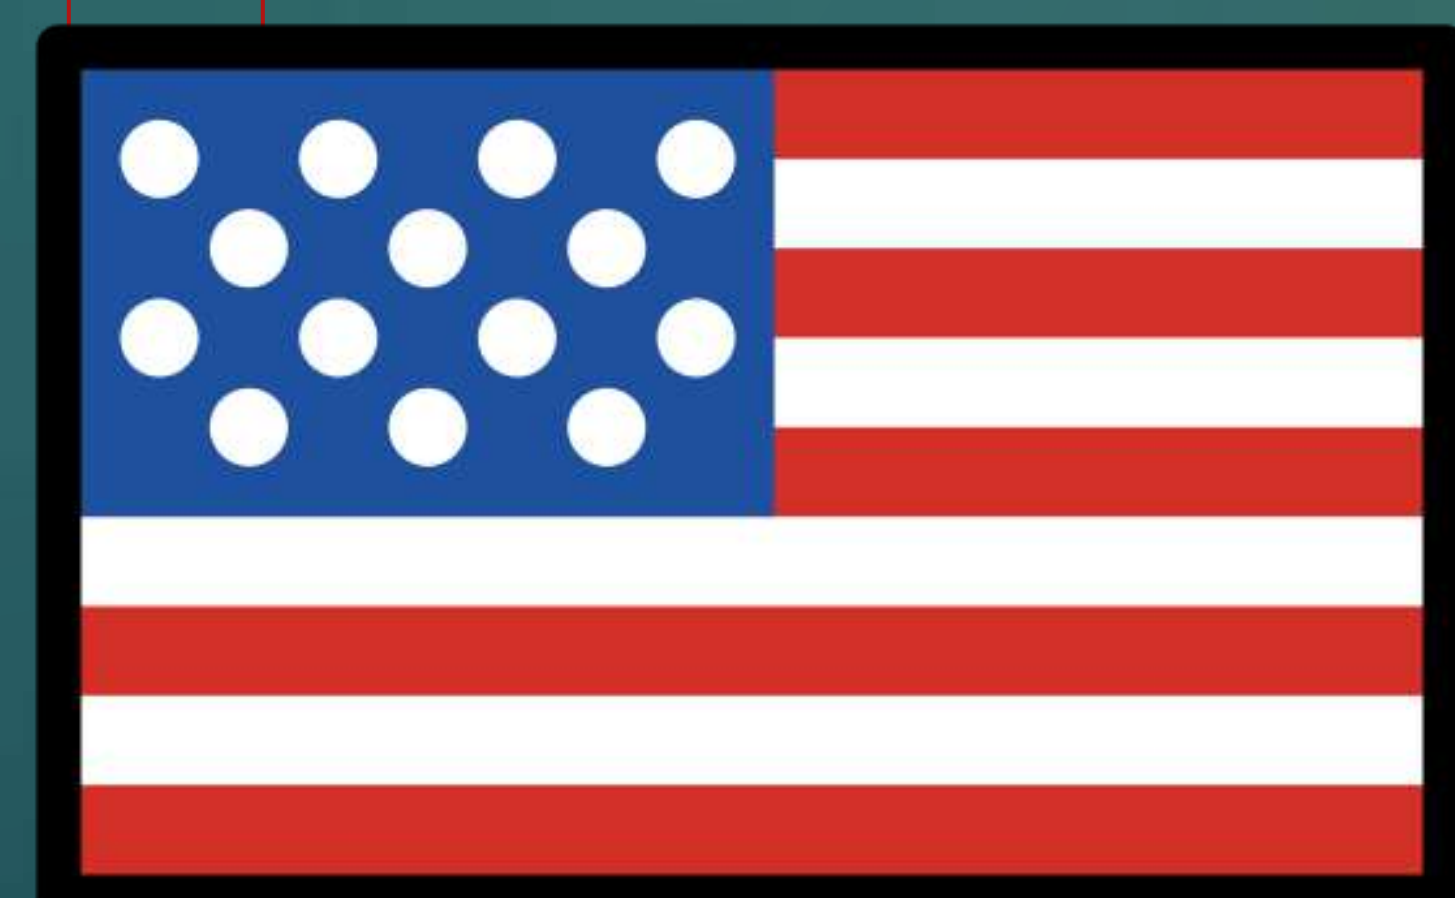

Week 1-3: Program scores will be averaged and the top three scores for each region will progress to week 4 (Play-offs in the Varsity League) while the top three non-perfect scoring teams from each region will continue to week 4 (Second Chance Junior Varsity League).

Week 4: The top three teams in both leagues will progress to the semi-finals (week 5 for both leagues).

Week 5: The top two scoring programs will progress to week 6 for both leagues (AKA: the Super Cell Bowl & the Second Chance Showdown).

Week 6: Super Cell Bowl (Varsity) & Second Chance Showdown (Junior Varsity)

Cell Bowl 2024: Teams Weeks 4-6

Week 4: The top three teams in both leagues will progress to the semi-finals (week 5 for both leagues).

Week 5: The top two scoring programs will progress to week 6 for both leagues (AKA: the Super Cell Bowl & the Second Chance Showdown).

Week 6: Super Cell Bowl (Varsity) & Second Chance Showdown (Junior Varsity)

Cell Bowl 2024: Week 4 Mission

Microbiology: Inoculating the Culture!

Show another (non-lab) student/professional a microbiology visual and tell them about how the lab:

- Makes medications from other microbes at Pharmaceutical Companies
- Makes vaccines
- Grows microbes to identify them
- Tells the clinician which medication works best against the microbe causing the patient's infection

Visuals can include Gram Stain, Culture Plate, Specimen Type, etc.

Cell Bowl 2024: Teams Weeks 5 & 6

Week 5: The top two scoring programs will progress to week 6 for both leagues (AKA: the Super Cell Bowl & the Second Chance Showdown).

Week 6: Super Cell Bowl (Varsity) & Second Chance Showdown (Junior Varsity)

Cell Bowl 2024: Week 5 Mission

Urinalysis: Concentrating Community Health!

Go to a store or gym and talk to someone:

- How a urine test can tell them about their health
 - Color & clarity meaning (toilet assessment)
 - Fertility
 - Organ function
- How urine test can be affected by foods they eat or supplements they take
- How their kidneys work with the liver and lungs to:
 - Maintain acid/base balance of the blood
 - Remove waste from the body (health & safety)
- Different types of urine specimens (first morning, mid-day, random, 24 hr)

Cell Bowl 2024

Future of Cell Bowl

Continue Scavenger Hunt:

- Improve Community Awareness of profession/MLT/MLS Programs
- Increase Blood Drives to help local communities
- Increase opportunities for student teams to improve their scores through community engagement → time donations

Continue JV & Varsity Leagues:

- Improve team involvement throughout the entire event
- Increase opportunities to celebrate more teams & communities

Continue 6-week length of event:

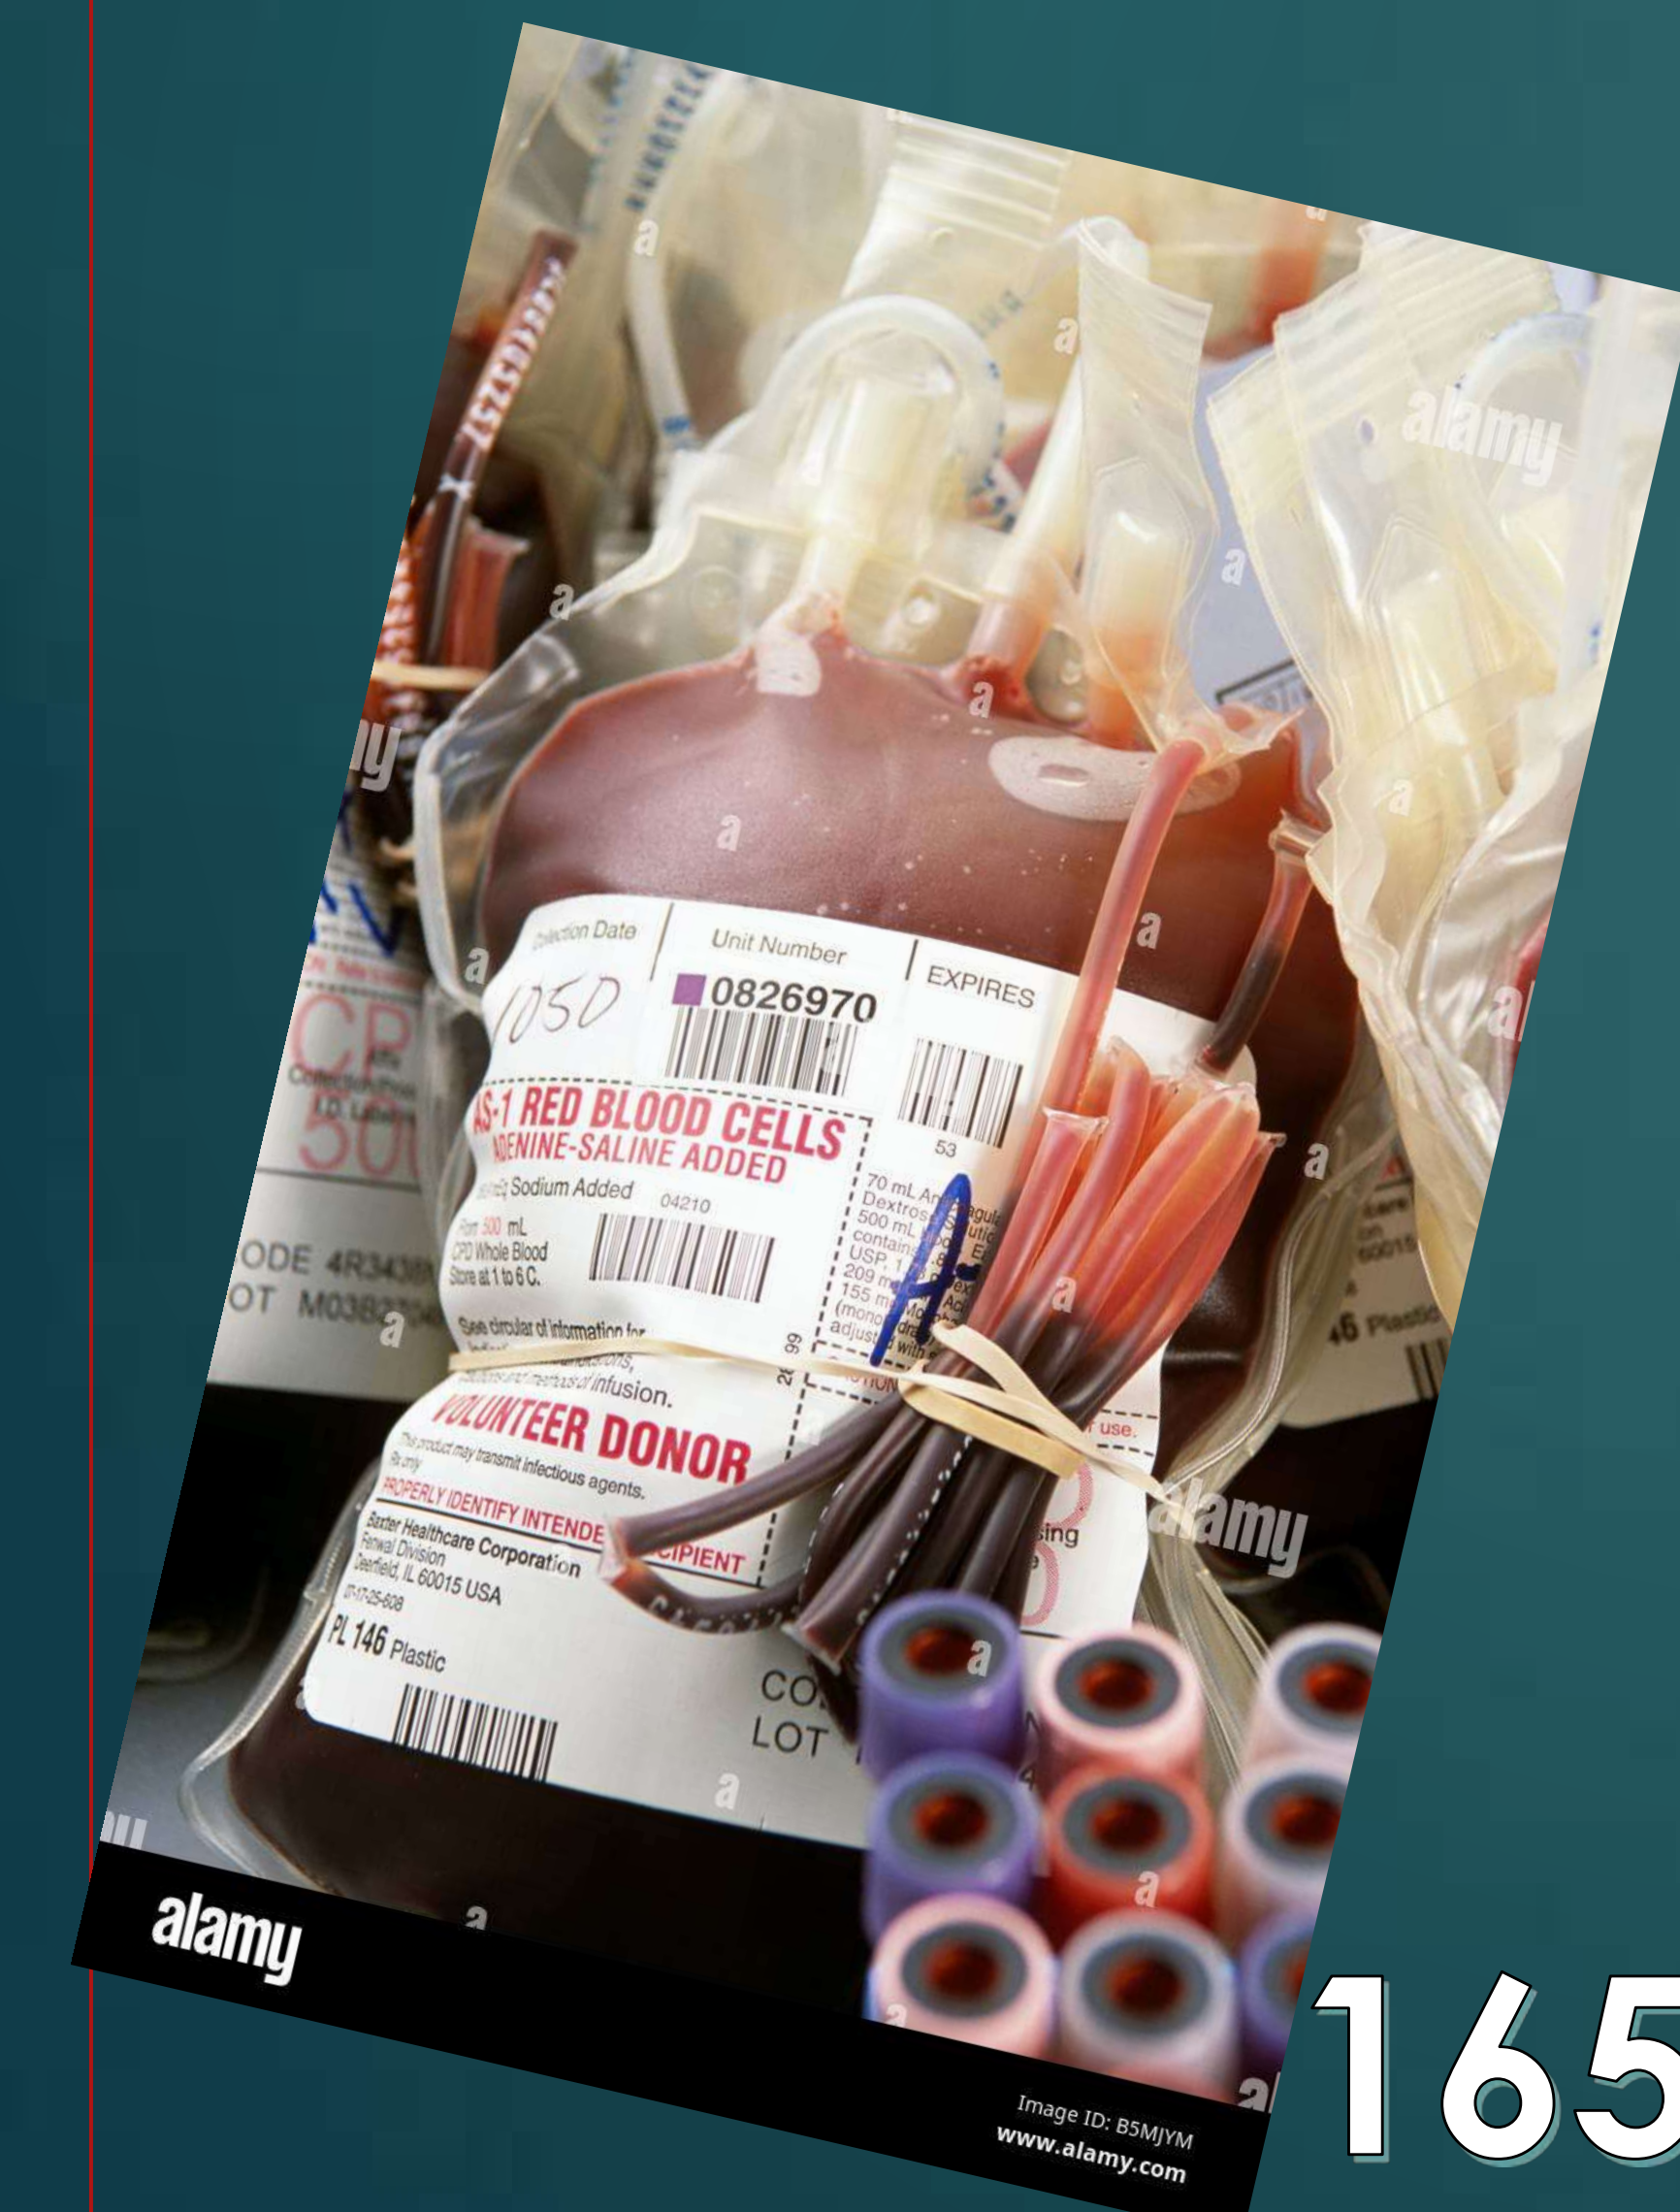

- October-November (2nd week) each year
- Does not over-lap with Thanksgiving
- LIVE interview before the end of the semester
