

Signing up for journal new content alerts

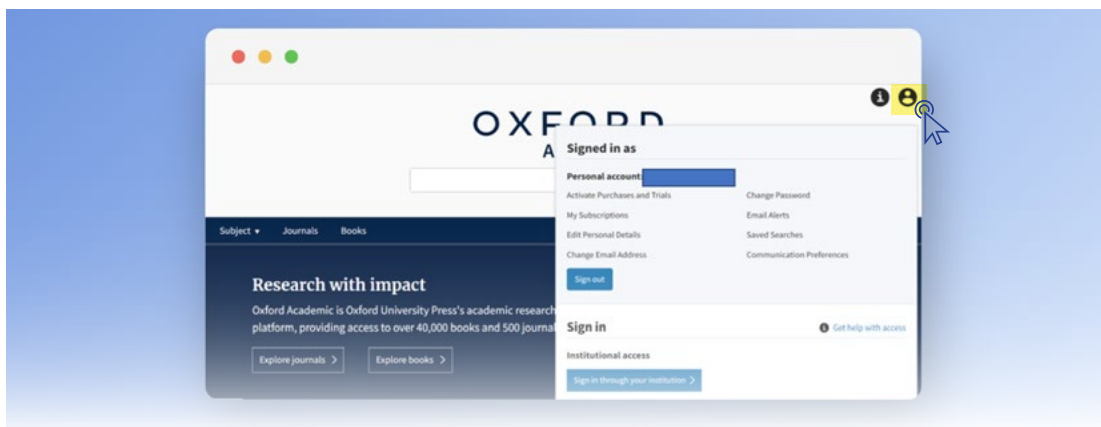

Stay up to date on the latest research from the American Journal of Clinical Pathology and Laboratory Medicine with content alerts delivered to your email. This service allows you to create custom email alerts to make sure you never miss out on the latest research from the ASCP publications.

It's easy, just follow the steps below:

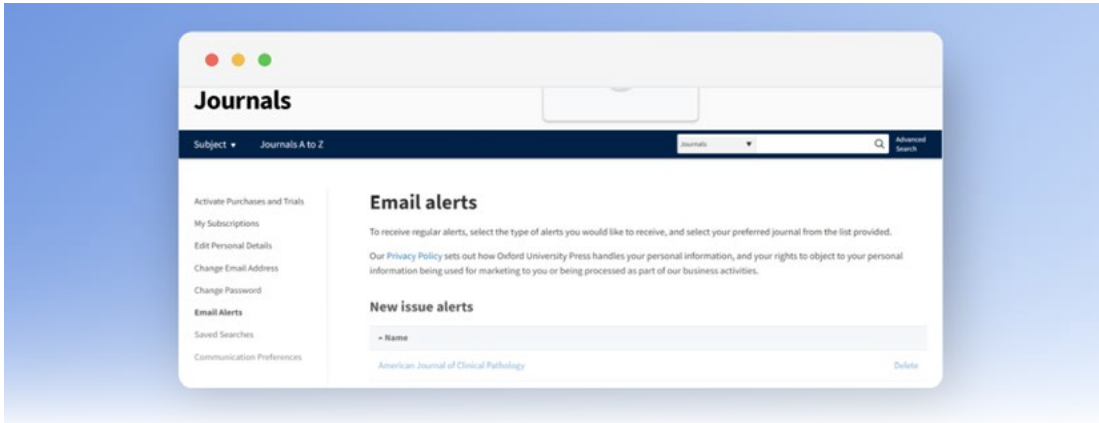

1. Register for an [Oxford Academic account](#). This will allow you to sign up for email alerts, purchase content, and save searches. If you already have an account, you can click on the "Sign in" link on the page and use your credentials to log in.

2. Once you've registered, click on your profile icon in the upper right-hand corner.

- From the drop-down menu, click on "Email Alerts".
- To register for New Issue Alerts*, click on "Add Alerts" under "New Issue Alerts". Check the box next to any publication you wish to receive alerts from and click "Add Alerts". This is where you select *American Journal of Clinical Pathology* and *Laboratory Medicine*.

- To register for Advance Article Alerts**, click on "Add Alerts" under "Advance Article Alerts". Check the box next to any publication you wish to receive alerts from and select the frequency you wish to receive them (daily or weekly). Click on "Add Alerts".
