

ANNUAL MEETING

2026 ASCLS Virginia Spring Symposium

Advancing laboratory professionals to advance healthcare in the State of Virginia

Date & Location

Dates: April 10-11, 2026

Location: VCU College
of Health Professions
900 E Leigh St
Richmond, VA 23219

About the Conference

The Spring Symposium brings together medical laboratory scientists, technicians, educators, and students from across the region to share knowledge, foster collaboration, and celebrate excellence in the laboratory professions. Join us in Richmond for a chance to network with fellow scientists and vendors as well as earn up to 5 CEs.
